## Port Lincoln Children's Centre Newsletter

Dear Families

How life has changed since the coronavirus entered our country. We hope you are all coping with the social distancing and stay at home message we consistently receive from the Chief Medical Officer and Prime Minister.

Childcare and Kindy operating hours are as normal. We have implemented some changes to dropping off and collecting of children. Please observe our new sign in stations in our enclosed entrance area. There is a bell on the door to press for assistance. This will continue until we are advised by the Department for Education.

Kindy staff will be dropping off Learning at Home packs for those children who will be staying home during term 2. If you would like more information about the activities in the packs please ring us on 86833073. Kindy staff will be calling each family on a weekly basis to stay in touch and see how parents and children are managing the activities.

### **Help us to prevent the spread of germs. Please remind children**

**to:**

- **Wash their hands properly with soap**
- **Cough into their elbow**
- **Sneeze into a tissue and put it in the bin**
- **Avoid touching their face**

**Stay informed:**

- **Australian Government Department of Health website**
- **Coronavirus Health Information Line: 1800020080**
- **SA Health website**
- **SA Health Facebook**

Please keep informed, stay healthy and safe.

**We appreciate your help to  
keep our children and staff  
safe and healthy.  
If your child is unwell ,  
please keep your child at  
home and seek advice from  
your Doctor**
