Dear Families

What a year 2020 has been. We are very fortunate to live where we do. Thank you to all our parents and carers for continuing to support kindy and childcare throughout the uncertainty of covid-19. The children have handled the increased cleaning and hygiene practices really well, we should all be very proud of them. Even though covid impacted our attendances in term 1 & 2, we have increased our enrolments since term 2 in kindy and childcare. Please take note of the dates for 2021. Our kindy numbers for 2021 are great to start the year off, we still have some room for 3yr old Aboriginal children and 4 year old children if you know of anyone who is not enrolled at a kindy yet. Our Bush Garden is slowly growing and I hope it survives the holidays and hot weather conditions while we are on holiday.

The children have continued to have fun and engaging in learning experiences. Please ask your child about our mud kitchen. Roxanne has put a lot of effort into resourcing this area to increase children's number sense whilst cooking up a storm.
