

## NQF tasks

### NQS Tasks:

- ⇒ **Review Reconciliation Action Plan:** Review how we will include parent and children's voice in review process. Discuss how we will track and monitor implementation of RAP to celebrate and share progress towards actions
- ⇒ **Philosophy Statement in practice:** Review current philosophy statement with staff, children and families.
- ⇒ **Develop a process:** to document and share children's learning and development with families. To increase parents voice and contribution to program.

## 2023 / 2024 Long Day Care

### Quality Improvement Plan

#### QA 1 Educational program and practice.

##### 1.1.1: Approved Learning Framework Early Years Learning Framework V.2

#### Goals:

1. All educators are familiar with and understand the principles and practices.
2. All educators are confident using EYLF V.2

#### QA 2 Health and Safety

##### 2.2.1: Supervision

#### Goals:

1. Educators are aware of their responsibilities
2. Communication between educators is improved when they are on the floor
3. Safer environment for children

#### QA 7 Leadership and governance

##### 7.2.1 continuous improvement

Goal: QIP is cumbersome and difficult to navigate for families and educators.

1. Change the format of the QIP to be more accessible and meaningful.
